South Burnett Training and Business Awards

SPONSOR PROSPECTUS

2026

SOUTH BURNETT TRAINING AND BUSINESS AWARDS

WELCOME

Welcome to the fourth annual South Burnett Training and Business Awards, celebrating the people and organisations building skills, opportunity and prosperity across our region.

Building on previous years and with the introduction of dedicated arts and business categories, the Awards continue to grow. This reflects the role local businesses, apprentices, trainees and training partners play in strengthening the South Burnett workforce, while the inclusion of Cherbourg highlights the strong connections across our communities.

The Awards recognise excellence in vocational education and training at a time when skills, learning and local pathways are more important than ever. They honour those who go above and beyond. This is whether starting their career, developing new skills, or investing in others through training and employment and can open the door to regional, state and national recognition.

The 2026 South Burnett Training and Business Awards will be held on 26 September at Kingaroy Town Hall, proudly hosted by Burnett News Inc. A new Employee Excellence Award will also be presented, making the evening a broader celebration of local achievement.

By becoming a sponsor, you are investing in people—supporting skilled workers, recognising committed employers and celebrating those making a positive difference in our community. Sponsorship offers meaningful visibility, strong community connection and measurable value, while supporting an event that genuinely matters. The opportunities in this prospectus are a guide, and the 2026 organising committee welcomes discussions on partnerships that deliver real benefit for your organisation.

We would be delighted to welcome your support and work with you to promote the value and impact of vocational education and training across our region.
